

Toothbrush

This is my green toothbrush. I use it every day. I brush my teeth three times a day. I brush them in the morning, at noon and before bedtime. My mother taught me how to brush my teeth. I want to have clean and healthy teeth and gums. Thanks to my toothbrush!

Soap

I have this pink soap in the bathroom and near the sink. It is very important to use it to keep myself germ-free. I wash my hands frequently and I use soap to wash my body. My teacher taught me how to wash my hands properly. It can help me to be clean, strong and healthy.

Face Mask

This is my face mask. I always have it with me. My parents tell me to wear my mask whenever I go out. They also wear mask to protect themselves from getting sick. My mask comes in different colors and designs. But I like this blue simple mask of mine.

Hair Brush

My hair brush is very important to me. It keeps my hair neat and shiny. It has a wide handle for me to hold comfortably. My mother bought it for me last week. It costs very cheap but very important to make my hair tangle-free.

Towel

This is my bath towel. It is made of cotton. It is soft and clean. I use it to dry my self after a bath. I always let it dry completely after every use. My towel is for personal use. I have two towels, one is green and the other is pink.
