

Bike

I ride a bike. It has two wheels. It has a basket and a bell. I ride a bike when I go to school. It is fun to ride a bike.

Bus

I ride a bus. There are a lot of people on the bus. The driver picks them up and drops them off. It travels from one city to another.

Airplane

The plane ride is fun. It is big. It is fast. It is in the air. It helps people move to far places. It helps people move from one country to another.

Car

I ride a car. It has four wheels. It is very useful. A car takes people to work. It takes people to shopping malls. It takes people to town, too.

Train

I ride a train. I go out of town. On the train, I sit down. I see through the window. There are goats and cows on the way to my grandfather's farm.
