

Milk

Do you like milk just like me? My mother buys fresh milk every day. I drink milk in the morning. It's good for our bones and teeth. Milk helps our body become strong and healthy.

Our School

This is our school. It is ten minutes away from my house. I love my teachers. They are very kind. My classroom is clean and colorful. I like it very much. I see my friends at school, too.

Busy Street

Luke saw an old woman waiting at the pavement. She couldn't cross the busy street alone. Luke helped the old woman cross the street safely. The woman thanked Luke for his good deed.

My Cat

I have a cat. It is white. It has a long tail. Its eyes are black like mine. It likes milk and fish. It likes to run and jump. I also love to play with my cat. My cute cat makes me happy.

My House

My house is small but tidy. There are two rooms. We have a living room, a bathroom and a kitchen. The yard has beautiful flowers and butterflies. It is so nice to live here.
